## Reading WIG

Our class reading Wildly Important Goal (WIG) is increasing our STAR reading scores—by tracking our scaled scores. We brainstormed ways how we could make this happen. One of our strategies is to read for 20 minutes each night—to total 100 minutes per week. (Feel free to use the weekend if you have a busy evening!) Please continue tracking on a data sheet in their Leader binder as well, along with a class chart weekly to see how many students are practicing their reading at home. If you have a Lexia account, please count this as reading minutes! Our data collection will start based on this past week's reading! Thanks so much for your support!

**November Book Order** - coming home today! Families may order from the paper copy and write a check to Scholastic or order online at Scholastic.com with class code LJ9M4 . Please have orders turned in to me by **Friday, November 17th** (or submitted online by 11 am Friday - so I can finalize the order on our lunch).  
Thanks so much!

## In 20 Years! Published Book!

Your child will be a published author! We will be writing and illustrating a piece about our lives in 20 years. You will have the opportunity to purchase a hardcover book from the publishing company. This is not a fundraiser for our classrooms—it's just a cool opportunity if you'd like to participate. We will be writing and illustrating next week Mon—Wed. It will be shipped on Thursday to ensure delivery before Christmas. **I will need ALL order forms back on Wednesday, November 15th!**

## A LOOK Ahead!

Thanksgiving Break—Nov 22—24

2nd Grade Music Program—  
December 12th at 7pm at the  
PAC

## Conferences

Thanks so much to everyone that made it out last night! I had a really great night sharing all the amazing things your child is doing here at school! I'll see the rest of you next week!
