

# Mrs. Moughton's Sun Times

---

## SeeSaw

Your child was able to share a math assessment with you this week on seesaw. We took pictures with our assessment and could choose to either type a caption or record a voice memo explaining our score. Our grading scale is a 4 point system. A 3 is considered grade level, and where we want students to be. A 4 is above grade level. A 2 stands for Progressing—this is still considered passing, but needs a little more practice with a skill. A 1 is Emerging or beginning to understand the grade level concept. We talked about the scale in class, so hopefully your child has a good understanding of how they performed on the assessment. The actual paper copy will stay in your child's leader binder here at school, but please let me know if you have any questions or want to see it sooner than conferences. Thanks!

## Week in a Nutshell

**Reading:** We continued reading an informational text called Friends Around the World. We've been looking for the main idea of paragraphs and then the supporting details in the text. A GREAT BIG THANK YOU to Mrs. VanSweeden for finding dragonfruit and bringing some in for us to experience! We read about this fruit in our text and have been so interested!

**Math—** We've continued working with place value in the hundreds, tens and ones. We're also learning the different ways to represent a number—we've learned unit form, expanded form, and numeral form so far.

**Science—** We learned about properties of water—solid, liquid and gas.

**7 Habits—** We talked about our circle of control this week. We also read a book called Crankenstein and wrote about what habit we recommend he use instead of being so cranky.

### Special points of interest:

- ☺ Seesaw
- ☺ Upcoming Dates
- ☺ Week in a Nutshell

### Book Orders

Book Orders came home Monday. I planned on sending today, but the kids saw them and begged to have them right away! I will submit the final order on Friday, October 20th. Please use the code LJ9M4 to order online at [scholastic.com](http://scholastic.com) or fill out the order form and write a check payable to Scholastic if you're interested in ordering this month.

## A LOOK Ahead!

- Book Order due— Oct 20th
- Halloween Parade & Party—Oct 31
- 100% AR Day—Nov 2
- No School for Students—Nov 3
- 2nd Grade Music Program—  
December 12th at 7pm at the PAC
