## Halloween Party/Parade

We will be celebrating Halloween on Tuesday! We will start getting changed into our costumes at 1:45, so please pack costumes in backpacks to bring to school. The parade starts at 2:15. Parents will be on the inside of the track and we'll do 2 laps around in our costumes. We will come back to our classroom after the parade for some snacks. Dana VanSweeden has coordinated all the treats!! I sure do appreciate all the contributions! After some treats and clean up, we'll play one quick little game. I'll have a sign out sheet right in the classroom if you're interested in taking your child with you from school. I know that evening will have lots of fun-filled trick-or-treating adventures. Please try to still have your child well rested and ready for a focused day of school on Wednesday! Thanks for all your efforts!!!

## Week in a Nutshell

**Reading/Writing:** We will take our STAR reading assessment next week on Wednesday. This week, we read *Alexander, Who Used to Be Rich* last Sunday and wrote narrative pieces to go along with this text. We will have one more writing assessment next week as well.

**Math—** Our mid-mod assessments will be posted to SeeSaw on Friday. Please remember this is a check-in assessment half way through the module. We'll continue working on these skills along with building upon them before the end of mod assessment.

**Science—** We discussed how our water can become polluted.

**7 Habits—** We continued our work with Habit 1—Be Proactive. I'm using this language often to help guide our kids in realizing they are in control of their own actions.
